Help Card

POWER TIP: If you only want to see the TOP position for each keyword/engine, then check 'Display only my TOP ranking page on the Engine Summary and Competitive Analysis reports' on the Options tab and re-run the Mission.

POWER TIP: If you want to see non-ranking position for each keyword/engine, then check 'Display non-ranking pages on the Engine Summary Report' on the Options tab and re-run the Mission.

Not in first 100 means your Web site was not found in the top 100 positions.
 NA means Non-Applicable or no prior day's positions to report yet.
 NM means No Matches were found for that keyword search.
 Previous Position = Previous Position as of Monday, May 24, 2010
